

Lottery

Each weekly entry costs just £2

By joining Saint Catherine's lottery you will be helping us to continue providing care and support in people's homes, the community and in our Hospice for adults with a terminal illness, and to their families, carers and friends.

Each year Saint Catherine's care for over 3000 patients and their families across the 1600 square mile area we cover along the Yorkshire Coast, Ryedale and East Riding. By taking part in Saint Catherine's lottery you can help support us now and in the future.

How our lottery works

Once you have joined Saint Catherine's lottery we will allocate your unique lottery number.

Our draw takes place every Friday and all winners are selected at random.

Winners' prizes are sent out by cheque to the address you have supplied on this form automatically, so there is no need to claim.

Winning lottery numbers can be found weekly at www.saintcatherines.org.uk/how-you-can-help-us/giving-regularly/lottery

All lottery profits go to patient care.

Responsible gambling

Saint Catherine's is committed to running its lottery responsibly and to encouraging responsible gambling with access to support if needed. If you believe you have a gambling problem, the following are organisations who will be able to give you help and advice.

Gamble Aware
