## About Saint Catherine's

We are privileged to have spent almost 40 years providing our specialist care to patients with a life-limiting illness. We provide services free of charge to patients and their families from an area of more than 1,600 square miles, covering North and East Yorkshire. Our services include an in-patient unit, outpatient clinics, a Wellbeing Centre, Fast Track Home Care team, community nurse specialists, neurology, occupational therapy, physiotherapy, bereavement support, social work and Palcall – an out-of-hours telephone support service.

If you choose to leave a gift to us in your Will, it means Saint Catherine's will be able to continue to deliver these services for many years to come. What a wonderful legacy to leave. Thank you from all the patients, staff and volunteers.

## How does Make a Will Week work?

The solicitors listed have kindly agreed to give their time and expertise for free to support our Make a Will Week. The solicitors will happily speak with you to take your instructions for a simple Will during this week and draft a professional Will in accordance with those instructions. They will also arrange with you for your Will to be signed.

In return, you will make a donation to Saint Catherine's. Our suggested minimum is £200\* per single Will and £350\* per matching pair. This is payable at the time you sign your Will to the solicitor and they will forward the donation to Saint Catherine's.

\*If your Will requires advice of a complex nature, or because of any failure on your own part to complete the Will by the end of June 2024, which results in additional administration work, your chosen solicitor is at liberty to charge you accordingly. However, any possible additional charges relating to the complexity of your Will shall be advised to you before proceeding. Additionally, there may be a disbursement charge for an AML check which will be payable to your chosen solicitor.

## Next Step

All you need to do if you would like to take part is to contact one of the solicitors listed as soon as possible to make an appointment during the week commencing **22nd April**. **Spaces at all solicitors are limited so be quick!**

Please mention Make a Will Week at the time of booking.
