You choose the date, distance and location, then it's over to your little bunnies to get moving for a great cause. Whether it's laps of the playground, a challenge on the school field or a sponsored walk in your local community, every Bunny Run is unique. We are encouraging schools to take part at any time during March 2027.

Every hop helps Saint Catherine's continue providing care, comfort and support to patients and families across North and East Yorkshire.

# WHERE
## Your Fundraising Will Go

By supporting Saint Catherine's, you're helping us provide expert care, emotional support and practical help to patients and families across North and East Yorkshire. Every pound raised through the Bunny Run helps us continue being there for people when they need us most.

### Patient Care

Your fundraising helps to contribute towards providing expert, personalised care that brings comfort to patients, helping them make the most of every moment with the people they love.

### Family Support

It also contributes towards families and carers being able to access emotional support, practical advice and bereavement services for free, ensuring they're never alone when they need us most.

### Wellbeing Services

You can also help make personalised wellbeing services possible by contributing towards physical, emotional and spiritual wellbeing and helping people continue doing the things they love.

# A Special PIZZA NIGHT

At Saint Catherine's, we know that some of life's happiest moments are often the simplest ones – like sharing a delicious meal with the people you love.

That's why our team organised a special pizza night for patients and their families, giving them the chance to enjoy an evening together, laugh, chat and create precious memories. Families gathered around the table to enjoy freshly made pizzas, whilst spending quality time with one another in a warm and welcoming environment.

It's moments like these that make a real difference. Thanks to the kindness and generosity of our supporters, Saint Catherine's can continue creating opportunities for patients and families to make the most of every moment together.

**“By taking part in the Bunny Run, your children are helping make special moments like this possible. Thank you for hopping to help!”**

# FUNDRAISING *Top Tips*

**Here are our few simple ideas to help your Bunny Run raise as much as possible while having lots of fun.**

## Get the whole school involved

Invite every class to take part, encourage friendly competition and celebrate everyone's efforts together. The more children involved, the bigger the difference you can make.

## Set up JustGiving

Create your School or Nursery's JustGiving page and link it to the Saint Catherine's Bunny Run campaign. It's a quick and easy way for parents, carers, family and friends to sponsor your children online.

## Add Gift Aid

If any of your sponsors are UK taxpayers, encouraging them to add Gift Aid means Saint Catherine's can receive an extra 25p for every £1 donated, at no extra cost to them.

### *Don't Forget to Tag Us!*

We'd love to see your Bunny Run in action! Share your photos, videos and fundraising updates on social media, and don't forget to tag Saint Catherine's so we can celebrate your amazing efforts.

Please ensure you have the necessary photography permissions before sharing or sending us any images.
